Dear Sir / Madam,

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE

1.0 INTRODUCTION

At the Twelfth AGM of the Company held on 28 November 2024, the Company obtained a general mandate from its shareholders for the Company and/or its subsidiaries to enter into RRPTs in the ordinary course of business based on commercial terms which are not more favourable to the Related Parties than those generally available to the public.

In accordance with the Listing Requirements, the mandate referred to above shall lapse at the conclusion of the forthcoming Thirteenth AGM of the Company, unless authority for its renewal is obtained from the shareholders at the said AGM of the Company.

On 13 October 2025, the Company announced to Bursa Securities of its intention to seek the shareholders' approval for the Proposed Renewal of Shareholders' Mandate at the forthcoming Thirteenth AGM.

The purpose of this Circular is to provide you with details of the Proposed Renewal of Shareholders' Mandate and to seek your approval for the ordinary resolution to be tabled at the forthcoming Thirteenth AGM of the Company. The Notice of the Thirteenth AGM together with the Form of Proxy are enclosed in the Annual Report 2025.

2.0 DETAILS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

2.1 The Listing Requirements

Paragraph 10.09(2) of the Listing Requirements provides that a listed issuer may seek a mandate from its shareholders for RRPTs, subject to the following:

- (i) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Party than those generally available to the public;
- (ii) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year (based on the type of transactions, names of Related Parties involved in each type of transaction made and their relationship with the listed issuer), where the aggregate value is equal to or more than the thresholds below in relation to a listed issuer with an issued share capital of RM60 million and above:-
 - (a) the consideration, value of the assets, capital outlay or costs of the aggregated transactions is RM1 million or more; or
 - (b) the percentage ratio of such aggregated transactions is one percent (1%) or more, whichever is the higher;
- (iii) the listed issuer's circular to shareholders for the shareholders' mandate includes the information as may be prescribed by the Bursa Securities. The draft circular must be submitted to the Bursa Securities together with a checklist showing compliance with such information;
- (iv) in a meeting to obtain the shareholders' mandate, the relevant Related Party must comply with the following requirements: -
 - (a) a Related Party with any interest, direct or indirect ("**Interested Related Party**"), must not vote on the resolution in respect of the RRPT;
 - (b) an Interested Related Party who is a Director or Major Shareholder must ensure that Persons Connected with it abstain from voting on the resolution in respect of the RRPT; and
 - (c) where the Interested Related Party is a Person Connected with a Director or Major Shareholder;

- (v) the listed issuer immediately announces to Bursa Securities when the actual value of an RRPT entered into by the listed issuer, exceeds the estimated value of the RRPT disclosed in the Circular by ten percent (10%) or more and must include the information as may be prescribed by the Bursa Securities in its announcement.

The Board proposes to seek the shareholders' approval for the Proposed Renewal of Shareholders' Mandate. 2.0 DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK

The Company proposes to seek renewal of the authority from the shareholders of the Company to purchase from time to time up to ten percent (10%) of the total number of issued shares of the Company for the time being quoted on the Main Market of Bursa Securities.

The authority from shareholders, if renewed, shall be effective upon passing of the ordinary resolution for the Proposed Renewal of Share Buy-Back at the AGM of the Company to be convened and will continue to be in force until:

- (a) the conclusion of the next AGM of the Company following the general meeting at which such resolution was passed at which time it shall lapse unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions;
- (b) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (c) revoked or varied by ordinary resolution passed by the shareholders of the Company in general meeting,

whichever occurs first.

2.1 Treatment of Shares Purchased

Pursuant to Paragraph 12.17 of the Listing Requirements, the Company may only purchase its own shares at a price which is not more than fifteen percent (15%) above the weighted average market price of the shares for the past 5 market days immediately preceding the date of purchase.

In accordance with Section 127 of the Act, the Purchased Shares may be dealt with by the Board in the following manner:-

- (i) to cancel the Purchased Shares;
- (ii) to retain the Purchased Shares as treasury shares; or
- (iii) to retain part of the Purchased Shares as treasury shares and cancel the remainder.

If such shares are held as treasury shares, the Board may:-

- (a) distribute the shares as dividends to shareholders;
- (b) resell the shares or any of the shares in accordance with the relevant rules of Bursa Securities;
- (c) transfer the shares, or any of the shares for the purposes of or under an employees' share scheme;
- (d) transfer the shares, or any of the shares as purchase consideration;
- (e) cancel the shares or any of the shares; or
- (f) sell, transfer or otherwise use the shares for such other purposes as the Minister may by order prescribe.

The decision whether to retain the Purchased Shares as treasury shares, or to cancel the Purchased Shares or a combination of both, or any alternatives as mentioned above, will be made by the Board at the appropriate time.

If such Purchased Shares are held as treasury shares, the rights attached to them relating to voting, dividends and participation in any other distribution or otherwise would be superseded and the treasury shares would not be taken account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including the determination of substantial shareholdings, take-overs, notices, the requisitioning of meetings, the quorum for meetings and the result of a vote on resolution(s) at meetings of shareholders.

2.2 Quantum

The maximum aggregate number of Shares which may be purchased by the Company shall not exceed ten percent (10%) of the total number of issued shares of the Company at any point in time.

As at the LPD, the Company has retained 13,230,500 Shares purchased from open market as treasury shares.

As at the LPD, the total number of issued shares of the Company comprised of 1,338,448,689 Titijaya Shares. Accordingly, the Proposed Share Buy-Back will then enable the Company to purchase up to 133,844,869 Titijaya Shares. As such, the balance of shares that can be purchased by the Company taking into account the total cumulative treasury shares held up to the LPD is 120,614,369 Titijaya Shares.

The actual number of Titijaya Shares to be purchased by the Company pursuant to the Proposed Renewal of Share Buy-Back, will depend on, inter alia, market conditions and sentiments of Bursa Securities as well as the retained profits, and financial resources available to the Company at the time of the purchase(s).

2.3 Funding

The Proposed Renewal of Share Buy-Back Authority may be funded through internally generated funds and/or bank borrowings as long as the purchase is backed by an equivalent amount of retained profits of the Company, subject to compliance with the prevailing laws.

The Proposed Renewal of Share Buy-Back Authority, if funded through internally generated funds, is not expected to have a material impact on the cash flow position of the Company. In the event the Proposed Renewal Share Buy-Back Authority is to be financed by bank borrowings, the Board will ensure that the Company has the capability to repay such borrowings and that such repayment will not have a material effect on the cash flow of the Company.

It is envisaged that the source of funding for the Proposed Renewal of Share Buy-Back Authority will be generated via internally generated funds. The actual amount of funds to be utilised for the Proposed Renewal of Share Buy-Back Authority will only be determined later depending on the actual number of Titijaya Shares to be purchased, availability of funds at the time of purchase(s) and other relevant factors.

The maximum amount of funds to be allocated for the Proposed Renewal of Share Buy-Back Authority shall not exceed the aggregate of retained profits of the Company based on the latest audited financial statement and/or the latest management accounts of the Company (where applicable) available. Based on the latest audited financial statements for the financial year ended 30 June 2025, the retained profits of Titijaya was RM1,026,208,976 . As at the date of this Statement, the results for the first quarter ended 30 September 2025 have yet to be released.

Notwithstanding the above, the Company will ensure that there are sufficient retained profits at Company level prior to the share buy-back. In addition, the Company will ensure that the maximum amount of funds to be utilised for the Proposed Renewal of Share Buy-Back Authority shall not exceed the aggregate of the retained profits of the Company at the time of purchase.

As required under Section 112(2) of the Act, the Company will have to perform a solvency test to satisfy the following conditions:-

- (a) the share buy-back would not result in the Company being insolvent and its capital being impaired at the date of the solvency statement; and
- (b) the Company will remain solvent after each buy-back during the period of six (6) months after the date of the declaration made by a majority of the Directors.

2.4 Public Shareholding Spread

As at the LPD, the public shareholding spread of the Company was thirty-three-point nine three percent (33.93%). The Company will not undertake any share buy-back if that will result in a breach of Paragraph 8.02(1) of the Listing Requirements which requires the Company to maintain a shareholding spread of at least twenty five percent (25%) of its total listed shares (excluding treasury shares). The Board is mindful of the shareholding spread requirement and will continue to be mindful of the requirement when making any purchase of Titijaya Shares by the Company.

3.0 RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK

The Proposed Renewal of Share Buy-Back, if implemented, is expected to have the following potential benefits to the Company and its shareholders:-

- (a) the Company is able to utilise its surplus financial resources which are not immediately required for other uses to purchase its own shares from the open market;
- (b) where the Purchased Shares are retained as treasury shares, the Board would have an option to distribute the Purchased Shares as shares dividends to reward shareholders of the Company;
- (c) the Purchased Shares may be held as treasury shares and resold in the open market to reap potential capital appreciation of the Shares without affecting the total number of issued shares of the Company;
- (d) the Company may be able to reduce any unwarranted volatility of its Shares and assist to stabilise the supply, demand and price of its Shares in the open market, thereby supporting the fundamental value of its Shares; and
- (e) Where the Directors resolve to cancel the Titijaya Shares so purchased, the Company expects to enhance the EPS of the Group as a result of a lower number of Titijaya Shares being taken into account for the purpose of computing the EPS, thereby enabling long term and genuine investors to enjoy any potential corresponding increase in the value of their investments in the Company.

4.0 POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK

The potential advantages of the Proposed Renewal of Share Buy-Back to the Company and its shareholders are as follows:-

- (a) It allows the Company to utilise its financial resources to enhance the value of shareholders' investments in the Company if there is no immediate use, to purchase the Titijaya Shares;
- (b) To stabilise the supply and demand of Titijaya Shares traded on the stock market of Bursa Securities and mitigate the volatility of Titijaya Share prices. The stability of Titijaya Share prices is important to maintain investors' confidence to facilitate future fund raising exercises of the Company via the equity market;
- (c) To provide opportunities for the Company to increase its financial resources if the purchased Titijaya Shares which are retained as treasury shares are resold at prices higher than the purchase prices;
- (d) It will enhance the EPS of the Company, irrespective of whether the Purchased Shares are held as treasury shares or cancelled, as it will result in a lower number of shares being taken into account for the purpose of computing the EPS of the Shares;

- (e) In the event the treasury shares are distributed as share dividends, it will serve to reward the shareholders of Titijaya; and
- (f) The treasury shares may also be utilised as purchase consideration by the Company in corporate transactions thereby reducing the financial outflow and/or preserve the working capital of the Company.

The potential disadvantages of the Proposed Renewal of Share Buy-Back to the Company and its shareholders are as follows:-

- (a) the purchase of Titijaya Shares will reduce the financial resources of the Company and may result in the Titijaya Group foregoing better investment opportunities that may emerge in the future;
- (b) the purchase may result in a reduction of the amount of reserves available for distribution as dividends to the shareholders if Titijaya Shares so purchased are cancelled; and
- (c) in the event the purchase of existing shares is funded by bank borrowings, the Company's net cash flow may also decline due to the interest costs associated with such borrowings.

Nevertheless, the Proposed Renewal of Share Buy-Back is not expected to have any potential material disadvantages to the Company and its shareholders, as any share buy-back will be undertaken only after in-depth consideration of the financial resources of Titijaya and the resultant impact on its shareholders. The Board, in exercising any decision in implementing the Proposed Renewal of Share Buy-Back will be mindful of the interests of the Company and its shareholders.

5.0 FINANCIAL EFFECTS TO THE PROPOSED RENEWAL OF SHARE BUY-BACK

The effects of the Proposed Renewal of Share Buy-Back on the share capital, NA, earnings, working capital and dividends are set out below:

5.1 Share Capital

The effect of the Proposed Renewal of Share Buy-Back on the total number of issued shares of the Company will depend on whether the Purchased Shares are cancelled or retained as treasury shares.

In the event that the maximum number of shares authorised under the Proposed Renewal of Share Buy-Back are purchased and cancelled, it will result in the share capital of the Company to be reduced as follows:-

	No. of Titijaya Shares
Total number of issued shares as at 1 October 2025	1,338,448,689
Maximum number of Purchased Shares to be cancelled	(133,844,869)
Total number of issued shares after Proposed Renewal of Share Buy-Back	1,204,603,820

However, if all the Titijaya Shares purchased are retained as treasury shares, the Proposed Renewal of Share Buy-Back would not have any effect on the share capital of Titijaya, although substantially all rights attached to the shares held as treasury shares would be suspended.

5.2 NA

The Proposed Renewal of Share Buy-Back, if carried out, may increase or decrease the NA per Share depending on the purchase price(s) of the Shares to be purchased. The NA per Share will increase if the purchase price is less than the audited NA per Share but will decrease if the purchase price exceeds the audited NA per Share at the time the Shares are purchased.

For the Shares so purchased and kept as treasury shares, upon resale, the NA per Share will increase if the gain of the Shares resold has been realised. However, the quantum of the increase in NA per Share will depend on the selling prices of the treasury shares and the number of treasury shares resold.

5.3 Earnings

The effects of the Proposed Renewal of Share Buy-Back on the earnings and EPS of the Group will depend on the purchase price(s) of the Shares, the quantum of Shares to be bought back and the effective funding cost to the Group to finance the Purchased Shares or any loss in interest income to the Group. Where the Shares so purchased are to be cancelled, the EPS of the Group will generally, all else being equal, increase as a result of the reduction in the issued share capital of the Company.

5.4 Working Capital

The Proposed Renewal of Share Buy-Back, if carried out, will reduce the working capital of Titijaya Group. The quantum of the reduction of the working capital of Titijaya Group would depend on the purchase price(s), number of shares purchased and the effective funding cost thereof.

However, for the Shares so purchased and kept as treasury shares, upon resale at a higher selling price than the initial purchase price, the working capital of Titijaya Group will increase. Again, the quantum of the increase in the working capital will depend on the number of treasury shares resold and the selling price.

5.5 Dividends

The Proposed Renewal of Share Buy-Back, if carried out, may have an impact on the Company's dividend policy as it may reduce the cash available, which may otherwise be used for the dividend payment. Nonetheless, if the Shares so purchased are retained as treasury shares, the dividend rate will also be increased with the suspension of the rights attaching to the treasury shares as to dividend entitlement. Moreover, the treasury shares so purchased may be distributed as dividends to shareholders of the Company if the Company so decides.

7.0 IMPLICATIONS RELATING TO THE RULES

The Company intends to implement the Proposed Renewal of Share Buy-Back in the manner that will not result in any of the shareholders having to undertake a mandatory take-over offer pursuant to the Rules. In this respect, the Board will be mindful of the requirement of the Rules when implementing the Proposed Renewal of Share Buy-Back.

Based on the shareholdings of the Substantial Shareholders as at LPD and assuming the purchase of the Company's own shares is carried out in full, the share buy-back exercise does not have any implication on the Rules, the effects on the Substantial Shareholders are set out in Part B, Section 6.0 of this Statement.

As the Board has no intention for the Proposed Renewal of Share Buy-Back to trigger the obligation to undertake a mandatory general offer under the Rules by any of its substantial shareholders and/or parties acting in concert with them, the Board will ensure that only such number of Titijaya Shares are purchased, retained as treasury shares, cancelled or distributed such that the Rules will not be triggered.
